LIST OF CHAPTERS	iv
LIST OF TABLES	x
LIST OF FIGURES	xi
LIST OF APPENDICES	xii
ACKNOWLEDGMENTS	xiii
CHAPTERS 1-9	1
SELECTED PUBLICATIONS AND WEB SITES	113
GLOSSARY	117
ACRONYMS	123
APPENDICES A-L	125

CHAPTER 1		
INTRODUCTION TO THE WILDLIFE STRIKE PROBLEM		
		1

CHAPTER 2		
THE FAA NATIONAL WILDLIFE STRIKE DATABASE FOR CIVIL AVIATION		
2.1	INTRODUCTION	5
2.2	REPORTING WILDLIFE STRIKES	6
2.3	MANAGEMENT OF DATABASE	7
2.4	USE OF INFORMATION IN DATABASE	9
2.5	SUMMARY OF WILDLIFE STRIKE RECORDS, 1990-1998	10
2.5.a	Strike Frequency	11
2.5.b	Types of Wildlife Involved	12
2.5.c	Characteristics of Strikes	12
2.5.d	Aircraft Components Struck and Damaged	13
2.5.e	Effects of Wildlife Strikes on Aircraft and Flights	14
2.6	SELECTED EXAMPLES OF WILDLIFE STRIKES	16
2.7	CONCLUSIONS	19

CHAPTER 3		
AGENCIES AND ORGANIZATIONS IMPACTING WILDLIFE HAZARD MANAGEMENT AT AIRPORTS		
3.1	INTRODUCTION	21
3.2	FEDERAL AGENCIES	22
3.2.a	Federal Aviation Administration	22
3.2.a.i	Mission	22
3.2.a.ii	Authority	22
3.2.a.iii	Role and Responsibility	22
3.2.a.iii.a	Office of Airport Safety and Standards	23
3.2.a.iii.b	Wildlife Hazard Assessments	23
3.2.a.iii.c	Wildlife Hazard Management Plans	24
3.2.a.iii.d	Advisory Circulars, Policy Statements, and Certalerts	24
3.2.b	U.S. Department of Agriculture/Wildlife Services	24
3.2.b.i	Mission	24
3.2.b.ii	Authority	25
3.2.b.iii	Role and Responsibility	25
3.2.c	U.S. Department of Defense	26
3.2.c.i	Mission	26
3.2.c.ii	Authority	26
3.2.c.iii	Role and Responsibility	26

3.2.d	U.S. Environmental Protection Agency	27
3.2.d.i	Mission	27
3.2.d.ii	Authority	27
3.2.d.iii	Role and Responsibility	27
3.2.d.iii.a	Landfills	27
3.2.d.iii.b	Pesticides	27
3.2.e	U.S. Department of Interior/Fish and Wildlife Service	28
3.2.e.i	Mission	28
3.2.e.ii	Authority	28
3.2.e.iii	Role and Responsibility	28
3.2.f	U.S. Army Corps of Engineers	29
3.2.f.i	Mission	29
3.2.f.ii	Authority	29
3.2.f.iii	Role and Responsibility	29
3.3	STATE AGENCIES	29
3.3.a	State Wildlife Management Agencies	30
3.3.b	State Environmental Protection Agencies	30
3.3.b.i	Landfill Siting Permits, Inspections	30
3.3.b.ii	Pesticide Registration	30
3.3.b.iii	Pesticide Applicator Licensing	30
3.4	AIRPORTS	31
3.4.a	Airport Operator	31
3.4.b	Air Traffic Control	31
3.4.c	Pilots	31
3.5	BIRD STRIKE COMMITTEE - USA	32

CHAPTER 4 FEDERAL REGULATIONS AND DEPARTMENTAL POLICIES IMPACTING AIRPORT WILDLIFE MANAGEMENT		
4.1	INTRODUCTION	33
4.2	SUMMARY OF APPLICABLE FEDERAL REGULATIONS	34
4.2.a	Title 14, Code of Federal Regulations, Part 139	34
4.2.b	Title 40, Code of Federal Regulations, Part 258.10	34
4.2.c	Title 50, Code of Federal Regulations, Parts 1 to 199	34
4.2.c.i	Depredation Permitting Requirements and Procedures	35
4.2.c.ii	Standing Depredation Orders	36
4.2.d	The Migratory Bird Treaty Act of 1918	36
4.2.e	The Animal Damage Control Act of 2 March 1931	37
4.2.f	Federal Insecticide, Fungicide, and Rodenticide Act	37
4.3	DEPARTMENTAL POLICIES	37
4.3.a	FAA, Airports Division: Advisory Circular 150/5200-33 Hazardous Wildlife Attractants on or near Airports	37
4.3.b	FAA, Airports Division: Policies and Program Guidance Related	38

	to Airport Wildlife Management (Appendix D)	
4.3.b.i	Initiation of Ecological Studies at Airports: Airport Certification Program, Program Policy and Guidance, Policy No. 53	38
4.3.b.ii	Section 7 Consultation on Endangered or Threatened Species: Airport Certification Program, Program Policy and Guidance, Policy No. 57	38
4.3.b.iii	Review of Airport Wildlife Hazard Management Plans: Airport Certification Program, Program Policy and Guidance, Policy No. 64	38
4.3.b.iv	Waste Disposal Facility Coordination: Airport Certification Program, Program Policy and Guidance, Policy No. 65	38
4.3.c	FAA, Airports Division: Certalerts Relating to Airport Wildlife Management (Appendix E)	39
4.3.c.i	The Relationship Between FAA and USDA/WS: FAA, Office of Airport Safety and Standards, Certalert No. 97-02	39
4.3.c.ii	Wildlife Hazard Management Plan Outline: FAA, Office of Airport Safety and Standards, Certalert No. 97-09	39
4.3.c.iii	Grasses Attractive to Hazardous Wildlife: FAA, Office of Airport Safety and Standards, Certalert No. 98-05	39
4.3.d	USDA, Wildlife Services Directive 2.305, Wildlife Hazards to Aviation (Appendix F)	39
4.3.e	Memorandum of Understanding: FAA and USDA/WS (Appendix G)	39

CHAPTER 5 RECOGNIZING HAZARDOUS WILDLIFE ATTRACTANTS ON OR NEAR AIRPORTS		
5.1	INTRODUCTION	41
5.2	SEPARATION CRITERIA	42
5.2.a	Airports Serving Piston-powered Aircraft	42
5.2.b	Airports Serving Turbine-powered Aircraft	42
5.2.c	Approach or Departure Airspace	42
5.3	WASTE DISPOSAL OPERATIONS	42
5.3.a	Municipal Solid Waste Landfills	42
5.3.b	Enclosed Trash Transfer Stations	42
5.3.c	Recycling Centers	43
5.3.d	Composting Operations	43
5.3.e	Fly Ash	44
5.3.f	Construction and Demolition (C&D) Debris Landfills	44
5.4	WASTEWATER TREATMENT FACILITIES	44
5.4.a	New Wastewater Treatment Facilities	44
5.4.b	Existing Wastewater Treatment Facilities	45
5.4.c	Artificial Marshes	45

5.4.d	Wastewater Discharge and Sludge Disposal	45
5.4.e	Underwater Waste Discharge	45
5.5	WETLANDS	45
5.5.a	Wetlands on or near Airports	45
5.5.b	Wetland Mitigation	46
5.6	DREDGE SPOIL CONTAINMENT AREAS	47
5.7	AGRICULTURAL PRACTICES	47
5.7.a	Crop Production	47
5.7.b	Livestock Production	48
5.7.c	Fish Production (Aquaculture)	48

CHAPTER 6		
DEVELOPMENT OF AIRPORT WILDLIFE CONTROL PROGRAMS		
6.1	INTRODUCTION	49
6.2	WILDLIFE HAZARD ASSESSMENT	50
6.2.a	Requirement for Wildlife Hazard Assessment	50
6.2.b	Necessary Elements of a Wildlife Hazard Assessment	51
6.3	WILDLIFE HAZARD MANAGEMENT PLAN	52
6.3.a	Requirement for Wildlife Hazard Management Plan	52
6.3.b	Necessary Elements of a Wildlife Hazard Management Plan	53

CHAPTER 7		
WILDLIFE HAZARD MANAGEMENT TRAINING FOR AIRPORT PERSONNEL		
7.1	INTRODUCTION	61
7.2	TRAINING	63
7.2.a	Bird Identification	63
7.2.b	Mammal Identification	64
7.2.c	Basic Life Histories and Behavior of Common Species	64
7.2.d	Wildlife and Environmental Laws and Regulations	65
7.2.e	Wildlife Control Techniques	65
7.2.f	Record Keeping and Strike Reporting	67
7.3	SOURCES OF TRAINING	67
7.4	WILDLIFE HAZARD MANAGEMENT LIBRARY	68
7.5	FIELD GUIDES AND REFERENCE BOOKS	68

CHAPTER 8		
EVALUATING WILDLIFE HAZARD MANAGEMENT PROGRAMS AT AIRPORTS		
8.1	INTRODUCTION	71
8.2	MONITORING AND RECORD KEEPING	72
8.2.a	Hazard Assessments, Plans, and Studies	72
8.2.b	Daily Log of Wildlife Control Activities	72
8.2.c	Daily Log of Wildlife Strikes	73
8.2.d	Records of Significant Management Actions Taken	74
8.2.e	Summary Reports by Month and Year	75
8.2.f	Training	75
8.3	ASSESSMENT OF WILDLIFE HAZARD MANAGEMENT PLAN	75
8.4	AIRPORT WILDLIFE HAZARDS WORKING GROUP	76
8.4.a	Function	76
8.4.b	Membership	77
8.4.c	Meetings	77
8.4.d	Meeting Reports	78
8.5	SUMMARY AND CONCLUSIONS	78

CHAPTER 9		
WILDLIFE CONTROL STRATEGIES AND TECHNIQUES AT AIRPORTS		
9.1	INTRODUCTION	89
9.2	WILDLIFE CONTROL STRATEGIES	91
9.2.a	Flight Schedule Modification	92
9.2.b	Habitat Modification and Exclusion	92
9.2.b.i	Food	92
9.2.b.ii	Cover	93
9.2.b.iii	Water	95
9.2.b.iv	Exclusion Techniques	95
9.2.b.iv.a	Exclusion of Birds	95
9.2.b.iv.b	Exclusion of Mammals	96
9.2.c	Repellent Techniques	96
9.2.c.i	Wildlife Patrols/Runway Sweeps in Vehicles	98
9.2.c.ii	Chemical Repellents for Birds	98
9.2.c.iii	Chemical Repellents for Mammals	100
9.2.c.iv	Audio Repellents for Birds	100
9.2.c.v	Audio Repellents for Mammals	101
9.2.c.vi	Visual Repellents for Birds	101
9.2.c.vii	Visual Repellents for Mammals	102
9.2.c.viii	Trained Falcons and Dogs to Repel Birds	102
9.2.c.ix	Radio-controlled Model Aircraft to Repel Birds	103
9.2.d	Wildlife Removal Techniques	103

9.2.d.i	Capturing Birds and Mammals	103
9.2.d.i.a	Chemical Capture of Birds	103
9.2.d.i.b	Live-trapping Birds	104
9.2.d.i.c	Chemical Capture of Mammals	105
9.2.d.i.d	Live-trapping Mammals	105
9.2.d.ii	Killing Birds and Mammals	105
9.2.d.ii.a	Destroying Eggs and Nests	106
9.2.d.ii.b	Shooting Birds	107
9.2.c.ii.c	Shooting Mammals	108
9.2.d.ii.d	Oral Toxicants for Birds	108
9.2.d.ii.e	Contact Toxicants for Birds	109
9.2.c.ii.f	Toxicants for Mammals	109
9.2.c.ii.g	Fumigants for Mammals	110
9.2.c.ii.h	Lethal Traps for Mammals	110
9.3	CONCLUSIONS	110
9.4	OTHER SOURCES OF INFORMATION	111

LIST OF TABLES		
Table 2-1	Source of information for reported wildlife strikes to civil aircraft, USA, 1990-1998.	8
Table 2-2	Person filing report of wildlife strike to civil aircraft, USA, 1990-1998.	8
Table 2-3	Number of reported wildlife strikes to civil aircraft by type of operator, USA, 1990-1998.	8
Table 2-4	Number of reported wildlife strikes to civil aircraft by U.S. state, including Puerto Rico (PR) and the U.S. Virgin Islands (VI), 1990-1998.	9
Table 2-5	Identified birds involved in reported wildlife strikes to civil aircraft, USA, 1990-1998.	12
Table 2-6	Identified mammal and reptile groups involved in reported wildlife strikes to civil aircraft, USA, 1990-1998.	13
Table 2-7	Reported time of occurrence of wildlife strikes to civil aircraft, USA, 1990-1998.	13
Table 2-8	Civil aircraft components reported as being struck and damaged by birds and mammals, USA, 1990-1998.	14
Table 2-9	Reported damage resulting from wildlife strikes to civil aircraft, USA, 1990-1998.	15
Table 2-10	Reported effect-on-flight of wildlife strikes to civil aircraft, USA, 1990-1998.	15
Table 7-1	Ranking of 21 wildlife species or species groups by relative hazard to civil aircraft based on percent of reported strikes causing damage or effect-on-flight, 1991-1997 (from Dolbeer et al. unpublished manuscript).	62
Table 8-1	Example of daily log of wildlife control activities.	81
Table 8-2	Example of Wildlife Strike Log for recording bird or other wildlife remains found within 200 feet of runway centerline that, in the judgment of wildlife control personnel, were killed as a result of interacting with an aircraft.	83
Table 8-3	Example of form to provide monthly summary of wildlife control activities.	85
Table 8-4	Example of form to provide annual summary of wildlife control activities derived from monthly reports (Table 8-3). Each airport's form should be modified to reflect the common control activities undertaken during the year.	87

LIST OF FIGURES		
Figure 2-1	Reported wildlife strikes to civil aircraft by year, USA, 1990-1998 (n = 22,900 total strikes).	6
Figure 2-2	Reported bird and mammal strikes to civil aircraft by month, USA, 1990-1998 (% of total strikes, n = 22,320, birds; n = 580, mammals).	7
Figure 2-3	Reported phase of flight at time of bird and mammal strikes to civil aircraft, USA, 1990-1998 (% of total strikes in which phase of flight was reported, n = 19,728 for birds; n = 494 for mammals).	10
Figure 2-4	Number of reported bird strikes to civil aircraft by altitude, USA, 1990-1998 (% of total strikes for which altitude was reported, n = 18,080).	11

LIST OF APPENDICES		
A.	Names, Addresses, Phone Numbers: USDA, Wildlife Services, State Directors FAA, Office of Airports, Airport Safety Certification Inspectors	125
B.	Animal Damage Control Act, 2 March 1931, as Amended	137
C.	FAA Advisory Circular 150/5200-33, Hazardous Wildlife Attractants on or near Airports	141
D.	FAA, Office of Airport Safety and Standards, Program Policies and Guidance	155
E.	FAA, Office of Airport Safety and Standards, Certalerts	169
F.	USDA, Wildlife Services Directive 2.305, Wildlife Hazards to Aviation	181
G.	Memorandum of Understanding between USDA, Animal Damage Control (Wildlife Services) and Federal Aviation Administration	185
H.	FAA Form 5200-7, Bird/Other Wildlife Strike Report	189
I.	Gull Facts for Airport Wildlife Control Personnel	195
J.	Assessing Wildlife Hazard Management Plans at Civil Airports	199
K.	Aviary and Field Evaluations of Various Wildlife Control Products and Strategies for Airports	217
L.	A Wetland Banking Mitigation Strategy for FAA	235

ACKNOWLEDGMENTS

We thank S. C. Barras, J. L. Seubert (retired) and S. E. Wright of the U.S. Department of Agriculture (USDA), National Wildlife Research Center (NWRC), for assistance in the compilation of this manual and helpful reviews of earlier drafts. E. A. LeBoeuf (presently with the U.S. Air Force BASH team) and J. L. Rapol of the Airports Division, Federal Aviation Administration (FAA), were instrumental in initiating the computerized bird strike database. B. D. Castellano, E. L. Melisky, J. R. Roman, (Airports Division, FAA), B. MacKinnon (Airports Group, Transport Canada), J. E. Ostrom (Minneapolis-St. Paul International Airport), P. Eschenfelder (Air Line Pilots Association), B. Wilson (Airports Council International – NA), and G. E. Larson (USDA, Wildlife Services) also provided helpful comments. Funding for the writing of this manual was provided to the NWRC through an interagency agreement with the FAA, William J. Hughes Technical Center. We thank S. Agrawal and M. Hoven of the Technical Center for their support.
